FOUNDER DESK

A Message from the Founder – Mr. Manish Khandelwal

With over two decades of experience in the building materials and interior design industries, Bamoo Interio has built a strong foundation of expertise and trust. Our journey began in the plywood and laminates sector and gradually expanded into particle boards, ready made furniture, tiles, and retail operations.

Through our extensive research and market understanding, we identified a key challenge faced by most customers—finding premium-quality, aesthetically pleasing products at affordable prices. We saw this not as a barrier but as an opportunity to redefine the market.

India's diverse consumer base spans across both elite and non-elite classes. By analyzing their needs and aspirations, we envisioned a solution: **premium products delivered at reasonable prices without compromising on quality**. To achieve this, we implemented large-scale production, sourced directly from leading manufacturers across India, and maintained low operational margins. This approach embodies our guiding principle:

“Huge Quantities with Reasonable Margins.”

Our products are thoughtfully designed—minimal, antique-inspired, and luxurious—to seamlessly blend elegance with affordability. Whether you seek timeless classics or modern neoclassical styles, our collections cater to every taste while staying within reach.

Today, Bamoo Interio proudly stands as a brand with a refined image, appealing to both domestic and international customers. Each product in our catalog reflects our unwavering commitment to craftsmanship, quality, and value.

Our vision is clear: **to deliver a growing range of high-quality home décor products at accessible prices while building lasting relationships with our customers**. Your satisfaction and trust are our greatest achievements, driving us to continually raise our standards.

At Bamoo Interio, we don't just create interiors—we craft experiences of comfort, elegance, and pride for every home. We invite you to explore our collection and witness firsthand the dedication, innovation, and care that define us.

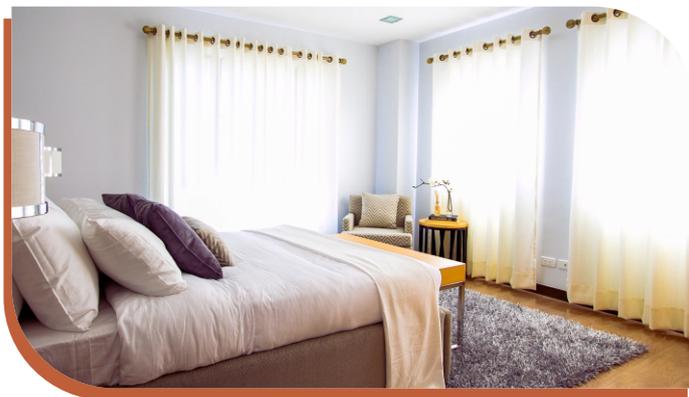

Together, let's create homes that inspire.

Warm regards,
Mr. Manish Khandelwal
